1 INTRODUCTION

We may offer certain discretionary benefits to employees from time to time. There is no contractual entitlement to these benefits and your eligibility to join and benefit from any such schemes will always be subject to the rules and regulations of the providers and at the discretion of the Company.

We reserve the right to withdraw or amend the discretionary benefits we offer at any time.

We currently offer the following discretionary benefits to eligible employees. Please contact your manager or HR for further details and to discuss your eligibility.

2 PRIVATE MEDICAL COVER

The Company Private Medical Cover is provided by NN Hellas.

After a 3-month waiting period from your hire date, you may be eligible for individual private medical insurance through NN Hellas.

2.1 Eligibility

All employees are eligible for ‘Single’ cover after a 3-month waiting period.

There is an option for an employee to ‘upgrade’ the benefit to include a spouse, and/or dependents (at the employee's own cost). Please contact Nick Tsiolekas so that he can send through a quote for the additional people and set them up in the scheme if you want to proceed. The cost of adding a dependent to your cover would be debited from your monthly salary.

2.2 What Cover is Provided?

You can find information about the group plan coverage under your Files tab in BambooHR

2.3 Additional Information

You can find additional information about extra benefits under your Files tab in BambooHR.

3 TRAVEL CARD

We offer complimentary public transportation card to all employees, upon commencement of employment.

5 Employee Assistance 24/7

We all encounter financial, emotional, health, and social problems from time-to-time. This is why we partnered with Ergo Well-being by Ergonomia to offer you and your family access to professional support and guidance through a confidential support helpline 24/7, 365 days of the year.

10 PAID STUDENT LEAVE

We offer paid student leave to all employees who are in enrolled in university and need to take their final exams or present their dissertation.

10.1 How it works

Simply request “Extra Days Off” in BambooHR and add a comment that the leave is for university-related purposes. The days off will not be deducted from your annual holiday balance. You will be required to submit a note or certification from the university to justify your absence.
